### Breakfast Club

Whānau don't forget we have a breakfast club at the kura where tamariki are able to sit down in the morning to have breakfast before kura starts. Tamariki then clear their table wash their dishes and are off to start their day on a full puku. Without the donations of Weetbix from Sanitarium, milk from Fonterra and various supplies from whānau we would not be able to run this programme. We look forward to your continued support.
