It will be a wet day so parents may take their children home straight after their event to shower, change into warm clothing before bringing them back to Kai ki te kura. KAI @ KURA

Tomorrow night is our annual Kai @ Kura. We are asking whanau to please prepare some home baked goods and return to the tari tomorrow morning. If you are available tomorrow at any time, please feel free to come and help us set up.

Reminder that we will have an eftpos system running where you will be able to withdraw \$20 in change. We also ask that \$20 notes be exchanged for these change bags at the eftpos table.

KAI Containers: this year we will not sell our kai in disposable containers or plates. Instead we have two options:

Whānau bring their own picnic sets and use these to collect their kai.

The kura gathers as many second hand crockery plates and cutlery for whānau to use – these can be purchased for a kohā and whānau can take these home at the end of the night. We will set up dishwashing stations so that the plates can be used several times.

INU: no drinks will be served in plastic bottles – so we will have water refill stations available – whānau are welcome to bring their own water bottles for refilling.

No water bottle? – the next option is still being looked at but we do not want to have lots of plastic bottles left over afterwards. See you all from 5pm.
