Non-Emergency services

NZ Police recently launched a new non-emergency number, 105. They have done this to make it easier to get hold of Police in the event of non-urgent situations or 'Things which have Already Happened', which don't require Police assistance immediately. Call 105 for all non-emergencies, or you can go online at 105.police.govt.nz to report things like:

- Lost property
 - Theft for a public place or car
 - Intentional property damage
 - Or to get an update or add info to a previous report
- In the event of an emergency, always call 111 - Things that are Happening Now.
