2020 Enrolments:

If you are wanting a new child to start at kura in 2020, you must pre-enrol now. As we limit 5 year old enrolments each term, late notification or late enrolments may mean your child will start later in the year. Please do NOT take it for granted that children have automatic entry.

Fill out your child's intentions for 2020 on our kura website or send an email to tari@kura-porirua.school.nz

YMCA basketball practise

Wairua practice on Wednesday nights from 7-8pm at Mana College gym.

Waiariki are invited to join Wairua. Please remember this is a extra-curricular activity and parents are responsible for transporting players to and from practise and supervision.

Chromebooks:

The kura will use some of these funds to purchase chromebooks for use at kura. If whānau want their child to have the use of a chromebook at home then whānau will still need to purchase their own.

Whānau will still be responsible for:

- Costs for optional activities like Competition Kapahaka rōpū - Whitireia, Ngā Matarau
- After school and weekend sports groups
- Extra programmes like art splash.
- Bus fees

These programmes are not core curriculum and therefore costs will still apply.

Whānau who currently have automatic payments are requested to stop these at the end of the month.

Government Donation Scheme

Board of Trustees have opted to register to receive a \$150 per student, per year payment instead of seeking donations from parents.

To help guide our decision, Kaimahi prepared a budget to show use of this putea and it was agreed. The funds we receive will enable the kura to pay for the following:

- All stationery - no more book lists whānau
- All class trips
- All in kura performances and entry costs to other venues like the zoo.
- All online subscriptions
- Everyone will be entitled to a kura magazine.
- Poumua student camp fees will be paid.
