KURA NEXT WEEK:

Our Ako ki te Kāinga Programme will begin on Tuesday 27 April next week.

Karakia for the Kura Tuatahi will continue at 9.30am and the programmes for Poutuarongo, Poutokomanawa and Poumua will continue just like this week.

Karakia for Kura Tuarua will continue at 9am, the Te Reo Māori programme will continue straight after.

As discussed earlier, our kura will open for instruction for some essential worker whānau who are required to return to work, and are unable to arrange childcare for their children.

Parents of the children attending will be contacted this weekend, in regard to our arrangements.

KI TE AO MARAMA PACKS

These packs are distributed by the Ministry of Education. We are aware that all packs ordered have left the MOE depot and now maybe in the hands of their courier company.

VISITORS TO KURA NEXT WEEK

Although the kura will be open for instruction next week, the site will essentially be in a state of lockdown. We want to preserve the 'bubbles' we have established. Therefore access to the kura will be by appointment or for deliveries only.

DEVICE ISSUES

Starting next week if you are having issues with your device ie ipad or chromebook please either PM Sophie Tukukino or send an email to tari@kura-porirua.school.nz or text Whāea Naere - 0272359617 we have been able to help solve alot of issues.

NON-ATTENDANCE

As of next week we will now be following up attendance to online programmes. We want to make sure all our tamariki are treated fairly and that they are able to access their learning programmes. It is important that we start to see everyone joining their classes at the right times.
