Level 1 at Te Kura Māori o Porirua

Our senior staff are convinced that some of the changes initiated during Level 2 are a real improvement in the way we greet and farewell our tamariki everyday. The collective effort by all kaimahi means that we are interacting with tamariki from the moment they arrive to the time they leave. So we are going to maintain this for the rest of the term. We will continue to have groups of kaimahi meet our tamariki when they arrive at kura and we will continue to bring tamariki to the courts for their whānau to collect.

Will we have a contact register?

Just like we did pre-Covid 19 everyone will continue to sign in on the tablet in the whare kōnae please.

Lunch orders?

Are great online - we will continue this process thank you.

Cash at kura?

EFTPOS and online transactions have been great so this will be our preference thank you.

Pōwhiri?

When we started back at Level 2 we set a tikanga for all pōwhiri until the end of term 2. We will maintain this unless there is a specific reason to revisit.

And . . .

Papa Pete will continue to ensure our sanitation products are topped up and he will keep on disinfecting surfaces.

Kaiako will continue to remind tamariki to: regularly wash and dry hands, sneeze and cough into elbows.

- wash and dry their hands when using the bathrooms.
- wipe down their tables etc.

Don't forget tamariki and kaimahi who are sick should stay home.
