E te whānau, tēnā koutou in 2019 our Board of Trustees opted into the Government donations scheme which enabled the kura to receive a payment from the government instead of seeking a donation from parents. The kura is using this funding to pay for things like:

- all children's stationery
- kura related trips and visits
- performances that come to kura
- ngā rā nui o te kura
- involvement in regional events and activities
- Camps and noho marae

Whānau are still required to pay for things like after school or weekend sports teams, and optional activities such as Kapahaka. However, day to day activities that involve all tamariki and could have carried a cost in the past is now covered by the donations scheme.

**One of the conditions of this scheme is that each year the kura is required to ask whānau if we should continue to opt into receiving this fund or not.** These responses will be gathered and reported back to the BoT who will need to decide whether to choose to continue this option or not.

Please complete the attached form and return to the kura as soon as possible.
