1. 2021 Information evening: Monday 23 November

Thank you to whānau who attended on Monday. Mihi nui ki a koutou katoa. The purpose of this hui was to enable whānau and students to confirm their course selection for next year and to see their programme.

We are presently developing a 'Te Puawaitanga Hōtaka 2021' on the kura website. Whānau can go online and have a look at what our programme will look like next year. Whānau will be able to complete a form online for course selections. We will let you know when the forms are available.

2. Pūrongo

If whānau have not received their pūrongo please let us know. Pūrongo was issued last Friday.

3. Kapahaka events

It was an outstanding performance last Friday by all our rōpu and very pleasing feedback from whānau. A special mention to all students who stood for their first time in a public setting. We know it was challenging and yet everyone would have benefited from the experience.
