Bus Service: our sincere apologies to whānau for the inconsistent service we have received from the bus company these past few weeks. It has been difficult for whānau and the kura.

I have been in contact with the company who agree that the service provided recently has not been the best. It seems they have had issues with our rostering software where jobs have disappeared on random days.

They have assured me that they are monitoring our kura runs to ensure any issues are attended to immediately.

The company did apologise for the unreliable service we have experienced recently and they are confident the processes will enable them to return back to a safe and reliable service.

Healthy Lunch Programme: tomorrow we have a meeting with our selected Healthy Lunch provider. We will negotiate with the provider to start our free lunch programme in Term 2.
