COVID UPDATE: Red light level 2

We continue to maintain and monitor our health and safety practices. Thank you to whanau who have notified the kura via the kura app of student absences.

As always please keep your child/children home if they have:

- A runny nose
- A headache
- Are sneezing or coughing
- Fatigue
- A sore throat

Face Masks - students tau 4 - 13 are to continue to meet the Ministry of Health requirements. Whānau are responsible to provide face masks for these students.

Students tau 4 - 13 must continue to wear face masks when traveling on the school buses both to and from kura.

Afternoon Picks Ups

Most afternoons at pick up time our courts and driveways are very congested. Please follow the directions of our kaimahi as they are trying to keep our tamarki safe. If you have an issue regarding parking or safety please come to the office.

Vaccination Clinics at Kura - our first of three kura whanau clinic will be held this Friday 25 February.

The clinic is open to all who need their first dose, their second dose or for eligible adults their booster.

Please ring the tari with your preferred time between 10am and 2pm and how many adult and tamariki whanau members will be present.

All students receiving a vaccination MUST be accompanied by a parent or adult who are 18+

Whare Konae:

Breakfast Club - parakuihi continues to be served in the hall from 8.15am to 8.45am.

KidsCan - requests for shoes, jackets, snack kai and/or hair care products can be sent to the tari email address.

Fruit in Schools - students receive a piece of fresh fruit daily.

Lunch By Libelle - we still have outstanding allergy forms. We will post the menu on Fridays for the following week. Alternatively whanau can join the Lunch by Libelle facebook page.

Whānau Whānui Hui ā Topa ā Pou

In line with covid restrictions our whanau whanui hui tonight will be held via Zoom per pou. All hui will start with a kaimahi mihi and ending with a covid update. The zoom links have been posted to the kura facebook page and have also been sent via Seesaw per pou.
