### Kakahu a Kura

With the expected colder, wetter days we are noticing students are wearing non-regulation clothing ie hoddy's and non-black shoes.

Due to supply issues we are no longer selling kura jackets but KidsCan jackets are available. This items will soon be confirmed as the registered school uniform jacket. You can order one by completing a KidsCan form available from the tari. Plain black KidsCan shoes can also be ordered on this form. We encourage whanau not to send branded shoes to kura.
